

Sterilization Pouches

Be Sure It's Sterile with Dynarex Sterilization Pouches

- Self-sealing – no tape or heat sealing needed
- New size for the tattoo, dental, hospital, surgery center, research lab, and nursing home markets
- Blue-tinted transparent cover makes it easy to detect contamination
- Internal and external color-changing dual indicators assure proper processing in chemical vapor, steam, or ethylene oxide (EO) gas sterilization
- Medical grade materials
- Latex free
